Robert,

I wanted to send you a quick email to let you know I replaced Jacob Nichols as the R6 FSC here in Dallas, and should be working through October 5. I don't have access to the R6HarveyFSC group email yet, but hoping to get that tomorrow. The last ERRS update we could find from you was from the 15<sup>th</sup>, so thought I would check with you to see if you have any updates.

Thanks.

John

Attached is the 1900.55 for 24-003. I was only able to attach the 1900.55 and the IOL, due to the size of the 1900.55. If anyone need the additional pages, please let me know and I will send separate e mails. Thanks
